

Poker Rules Document

1. Hand Rankings: Royal Flush is the highest, followed by Straight Flush, Four of a Kind, Full House, Flush, Straight, Three of a Kind, Two Pair, One Pair, High Card.

2. Betting Strategy: With a Flush or higher, bet aggressively. With a Pair or High Card, consider folding if opponents bet high.

3. Bluffing: Bluff only when you have a 70% chance of opponents folding, based on their past behavior.
